SLIDE WAY OIL

Application: SLIDE WAY oils are for the lubrication of machine tool slides and ways.

Specification: Cincinnati Milacron Specifications P-47 and P-50

Characteristics: An adhesive lubricating oil, containing oiliness and EP additives that give low coefficients of friction. Highest load carrying capacity and excellent protection against wear. Very good corrosion and rust protection, minimizes stick-slip and chatter and reduces friction to allow smooth operation.

Data:

	ISO 68	ISO 100	ISO 150	ISO 220
